

OBJECTIVE To obtain an entry level position as a graphic designer within an art department that allows for personal and professional growth through the advancement of my creative and technical skills.

PROFILE As a Graphic Designer my goals are to combine design principles with technical and creative skills to make design that works. Great designers have always been my inspiration, I aim to impart the same qualities that make their work great into mine.

WORK EXPERIENCE **Long Island University Brookville New York**
Lab Assistant 2015 - present
Worked under the direction of Lab Manager. Assisted in the maintenance of an extensive facility including over 100 work stations, printers, scanners, and classroom software.

John's Pizza Mastic Beach New York
Counter / kitchen Worker 2014 - present
John's Pizza is a small family Restaurant and Pizzeria with only a few employees. My responsibilities included keeping stock, cleaning, cooking and ringing up orders, preparing food and waiting tables.

Executive Parking Wading River New York
Valet 2013 June - July
Worked valet parking cars at Eastwind Long Island Venue and Catering. Was responsible for parking cars, organizing and keeping keys, and providing a fast and quality service.

DESIGN EXPERIENCE **T-shirts for Restaurant**
I was hired to make over 200 t-shirts for Johns Pizza. Besides designing shirts, I was responsible for creating pre-press files for four color printing.

Logo , Business Cards, and Fliers
I was hired to design business cards and fliers for a new local pet supply and grooming shop. In doing so I created a new brand Identity and logo that the store uses today.

SOFTWARE SKILLS Techically proficient in Pc and Macintosh , Adobe Creative Suite, Illustrator, Photoshop, InDesign, Dreamweaver, AfterEffects

COURSEWORK Publication Design, Advertising Design, Advanced Digital Illustration and Imaging, Typography, Drawing, Photography, History of Graphic Design, and Computer Layout I and II
